

DEVELOPMENT PROPOSAL

As part of East Dunbartonshire's Local Development Plan 2, a developer has proposed a development for this area to comprise,

- 100 houses,
- car park
- sports pitches and sports facilities.

See map aside for the extent of the proposal.

EDC have declined to accept the proposal but have asked residents to confirm or object to their decision by 15 January 2021. This will be of help in the event that the developer appeals and the case goes before the Scottish Government.
